

THE REASONABLE WAY.

"Why, how different those goods look after they're made up! I don't like 'em now at all."

"And this style of coat doesn't look as it did in the fashion plate you showed me."

Don't go on the guess-work plan. Come to our stores and see exactly what your clothes are going to look like on *you* before you buy them.

If you decide you don't like anything you've bought of us, the sales off, even if you've paid. Nobody who makes your clothes to order ever offers these inducements, does he?
